

VIEWTEC SIGNS LIMITED
QUALITY POLICY STATEMENT

3rd January 2017

Viewtec Signs Limited is dedicated to providing customers with products which meet or exceed their expectations, and which comply with the requirements of the ISO9001:2015, BSEN12899-1:2007 and the National Highway Sector Scheme 9A standards.

This is achieved through a programme of continual improvement, by establishing and reviewing suitable and measurable quality objectives and Key Performance Indicators during regular Management Review meetings.

Risk is considered in all areas of the business, together with the needs and expectations of interested parties, and the context of the organisation. Action required to improve performance or enhance relationships will be considered and carefully applied.

The defined scope of the Quality Management System is: The manufacture of permanent and/or temporary road signs, Network Rail line side signs and a comprehensive range of commercial signs.

The company is committed to compliance with applicable statutory and regulatory requirements.

The requirements of the documented Quality Management System are mandatory and will be maintained by all who act, in whatever capacity, on behalf of the company.

The Managing Director and the Senior Management of the company accept responsibility for communicating the company's commitment to quality to all employees, and for ensuring that the Quality Policy is implemented, understood and maintained. All members of staff are made aware of the critical role they play in helping to maintain our very high standard of customer satisfaction.
